Editorial Decision ICTVT 2018

International Conference ICTVT Fakultas Teknik <ictvt@uny.ac.id>   5 November 2018 10.42
Kepada: Andik Asmara 11510860908616 <andikasmara@uny.ac.id>, Andik Asmara <andik@pmct.co.id>

Dear **Author,**

We are pleased to inform you that your paper, entitled:**" The Mind-Mapping learning Model in The Robotics Course."** has been reviewed and **accepted with revisions** to be presented at ICTVT 2018 to be held on November 15, 2018 in Yogyakarta, Indonesia.

Please see the attached **reviewer suggestions and the results of the plagiarism detection** for further details about necessary revisions. You have 1 (one) week to respond to this revise and resubmit request ending on **November 10, 2018.** Please note, your revised manuscript should be accompanied by a summary of your responses to the reviewers' comments.

To complete your registration, **If you have not paid the registration fee, please kindly make full payment before 8 November 2018.** After making the payment, author <u>must</u> upload the transfer proof via the conference website <u>http://ictvt.uny.ac.id/</u> or email at <u>ictvt@uny.ac.id</u>.

Sincerely,
ICTVT 2018 Commitee

Suggestions:

1. See the author guideline how to cite previous study in the literature, i.e. <u>https://born2invest.com</u>.
2. Some sentences or paragraphs are difficult to be understood due to without or small relation among them.
3. Many English structures are not appropriate
4. The abbreviation inside the body of the manuscripts should be specified, i.e. FE YSU.
5. Make sure your manuscript refers to the author guideline of the ICTVT conference.
6. Reviewer recommends to the program committee to accept with mayor revision.
