I. DESKRIPSI MATA KULIAH

This course is designed to offer the students to explore British culture comprising the geography, people, identity, attitude, political life, monarchy, government, education system, etc. The course also studies how those aspects of culture are reflected in literature. A comparative study of British and Indonesian culture is also conducted to give better understanding to the topics understudy. In the end of the semester the students are expected to be able to explain the aspects of British culture and how they influence British literature. There will be a major essay by the end of the semester addressing any topic covered in the whole semester. Student's assessment is based on their individual summary on the topic covered in each session, individual presentation, and group assignment according to the selected topic, class attendance and participation, and individual essay.

II. STANDARISASI KOMPETENSI MATA KULIAH

In the end of the semester the students are expected to be able to explain the aspects of British culture and how they influence British literature. Besides, the students are able to make a comparative study of British and Indonesian culture to get the benefits of the topics understudy.
