Mentimeter adalah.....

Aplikasi yang digunakan untuk audiens Anda agar berpartisipasi dalam presentasi interaktif

Hampir sama dengan google form dan kahoot, mentimeter bisa digunakan untuk alat bantu dalam dunia pendidikan untuk membuat quiz, polling, voting, brainstorming sebelum materi, tanya jawab, atau kegiatan yang lain

What is Mentimeter

What is Mentimeter?

Create interactive presentations

Build interactive presentations with the easy-to-use online editor. Add questions, polls, quizzes, slides, images, gifs and more to your presentation to create fun and engaging presentations.

Present and engage your audience

When you present, your audience uses their smartphones to connect to the presentation where they can answer questions, give feedback and much more. Visualize their responses in real-time to create a fun and interactive experience.

Compare and analyze data

Once your Mentimeter presentation is over, share and export your results for further analysis and even compare data over time to measure the progress of your audience.
