I. DESKRIPSI MATA KULIAH

This course aims to enable the students to understand the nature of spoken and written text, to develop sensitivity to the ways speakers and writers adjust their verbal communication according to the situation and communication goals, and to use the right tools to analyze sets of discourse.

This course is mostly theoretical in which students are engaged in lectures, discussions and literature studies. Assessment is conducted in terms of students’ classroom participation, assignment, mid and final tests.

II. STANDARISASI KOMPETENSI MATA KULIAH

After this course, the students are expected to 1) to understand the scopes of discourse analysis and 2) to be able to analyze language use in a wide range of discourse types.

COURSE EXPECTATIONS

1. The course will also cover the discourse of/in ads, TV, film, internet, bodies, cities. Your research projects can investigate any discourse in any medium. Research on “new media” is particularly topical.

2. Students are expected to attend all classes and to arrive on time so that classes may begin promptly. You are not allowed to join the class if you are late more than 15 minutes. Announcements will be made at the beginning or end of classes regarding the assigned readings and the expectations for exams and assignments.

3. Students are expected to submit the assignments of the questions given the previous week. There is no excuse to be late. Earlier submission is welcomed.

4. Students are welcomed to submit questions and comments via e-mail or facebook (inbox not wall). Please keep in mind when sending your message I can only respond to questions that can be answered in a sentence or two. Questions requiring longer replies should be asked in class or during office hours. Email address: Siti_mukminatun@yahoo.com or

5. Students have to attend to both tests.
