REVIEW TUGAS ESSAY
Paralel saat menyusun kalimat!

- and, atau tanda koma
- I like cooking, gardening, and singing
- She is beautiful, patient, loyal, honest, and wise.
- Confident (adverb)= keyakinan
- Confidence (n)= kepercayaan
Reading

1. Plan your reading
2. Note taking from text book
3. Write a summary
4. Improve your reading skill
1. Plan your reading

Determine **What**
- Gather data about what you’re going to read and why you’re going to read it.
- Difficulty level of the material
- Your background in the subject matter
- Your attitude in the subject matter
Plan your reading

Determine **How**

- Preparatory reading
- Informing yourself by talking with others
- Time required to study the assignment
- Time allotted for the current study period
Plan your reading

Determine Why

- Use the data to plan a strategy for how you’re going to read
- The purpose of the instructor in making the assignment
- The author’s purpose in writing the material
- Your own purpose in studying the material
2. Taking Notes from Reading

1. Divide selection into manageable parts, such as chapter subsections.
2. Identify all main ideas and write down in your own words. Leave space for supporting details.
Taking Notes from Reading

3. Write down relevant supporting details, concise and in own words
   ○ Examples are important - easy to remember and demonstrate concepts
   ○ Write your own comments that might help you remember
Taking Notes from Reading

4. Preserve tone, logic, order and emphasis of original material.

5. Make heading or title if one is not there
   - Helps locate material in notes
   - Title is the subject matter so helps in comprehension
3. Writing a summary

Steps:
- Identify main ideas and supporting details
- After following the note-taking steps, rewrite in own words using complete sentences and paragraphs
- Much shorter than original.
Writing a summary

Benefits:
- Writing summary helps you think and remember
- Avoid unconscious plagiarism when writing research
- Makes you a good essay exam writer
4. **Improve your reading skill**

- Practice
- Reading more books
Penutup

Membaca merupakan kegiatan berpikir yang harus dipersiapkan agar prosesnya berjalan dengan lancar Membaca merupakan langkah awal untuk membuat karya ilmiah. Dengan membaca, seseorang akan memiliki banyak bahan untuk ditulis
