*Definition
*How to write it
*What it takes to make it happens
What is a journal?
What is a paper?
*How to write it?
Hard-skills

Soft-skills
* Get to know publishers
* Write every time you read
* Write every time you think
* Master IT skills
* Submit your article
* Read, read and read
* Write, write and write
* Learn, learn and learn
* It’s an academic journey, don’t take it too personally
